

JANUARY 2017

Dear Friends,

On July 8, 2007, we dedicated the Armed Services Memorial for our service men and women at Memorial Park in Lake Norden. Over a hundred-forty bricks (plaques) have been purchased and placed on the wall. Provisions have been made so the wall can accommodate future expansion. Therefore, additional memorial bricks may be purchased.

Each Memorial Day the bricks that were purchased during the previous year are dedicated during an annual Memorial Day Service. The 4" X 8" granite bricks have the name of your loved one along with the branch of service.

Cut here and return with donation, picture and years of service information.
