

Lake Norden

“Changing the way we look at rural South Dakota”

Health Care • Grocery Store
Hardware • Restaurants • Lumber
Auto Repair • Motel
Museums • Armed Service Memorial

Visit us in the heart of eastern South Dakota’s lake region. Hunting and fishing opportunities abound.

While in Lake Norden be sure to visit the “Don Christman Farm Toy Museum” and the “South Dakota Amateur Baseball Hall of Fame.” Come see our originally furnished 1882 Kirk School, our agricultural exhibits displayed in a pole barn, and our main museum building, with local pictures and cultural exhibits including mill stones used by local pioneers to grind wheat.

The Independence Day Celebration in Lake Norden is a special time. Attend an old-fashioned community bar-b-que on the evening of the 3rd of July, and on the 4th, watch the local baseball team play an area team. Finish off the celebration by viewing one of the largest displays of fireworks in the area.

South Dakota Amateur Baseball Hall of Fame – Only amateur baseball hall of fame in the world. Open May-October, 7 days a week. 9 a.m.-7 p.m.

Call City Hall – (605) 785-3602
