

Table 1
Authorized Wastes
Lake Norden Restricted Use Solid Waste Facility

Under South Dakota law, local ordinances may further restrict some of the items listed below. The city of Lake Norden may choose not to accept some of the items listed below.

Type of Waste	Handling Procedures / Requirements
<u>Construction and demolition debris:</u> Concrete, brick, stonework, concrete block, painted or stained wood, attached insulation, pipe, and similar wastes.	These wastes must be buried. These wastes may not be burned . Concrete, brick, stonework, and concrete block may be buried or temporarily stored for subsequent recycling and reuse.
<u>Trees and untreated wood:</u> Scrap lumber, trees, tree branches, and brush. Painted, stained, glued, or chemically treated wood is considered treated and cannot be accepted or open burned.	These wastes may be burned or buried. Wastes to be burned must be isolated in a separate area of the site. Contact the local fire department, DENR-WMP, and local law enforcement prior to open burning.
<u>Ash</u>	Only ash from wood burning stoves or other household sources and authorized on-site open burning may be accepted for burial.
<u>Yard waste:</u> Leaves, grass clippings and similar vegetation.	Yard waste may not be burned. Yard waste must be composted. Reuse of compost shall be in compliance with applicable federal, state and local laws.
